REMARKS

The references cited on attached form PTO-1449 are being called to the attention of the Examiner. It is respectfully requested that the cited information be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

References AA through AM were cited in prior application serial number 09/407,806 on October 10, 2002. In accordance with 37 CFR §1.98(d), copies of the references cited in the prior application are not included in this submission (MPEP §609A(2)); however, for the Examiner's convenience, if requested, Applicants will be pleased to provide a copy of any or all of the references cited therein.

As provided for by 37 CFR 1.97(g) and (h), no inference should be made that the information and references cited are prior art merely because they are in this statement and no representation is being made that a search has been conducted or that this statement encompasses all the possible relevant information.

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 858 678 5070.

Respectfully submitted,
